

INTRODUCTION

PT. RAJAWALI KONSULINDO
PT. GHERA MULTI WAHANA

Introduction

Who We Are

- PT Rajawali Konsulindo (RJCons) was established in 2013 and since then has been actively involved in consultancy, certification programs and financial training projects where the track record of the company extends beyond its inception date.
- Through the passage of time, we have developed the capability in conducting various topics on public and in house basis in several South East Asian countries.
- We have developed various training modules comprised in various topics in financial model, finance, investment, risk management, leadership and human capital.

Our Training Services

Professional Certification

We have obtained licenses to conduct preparation class for several professional designation programs to help organizations improve the competence of employees.

Non Certification Training

We conduct trainings on various topics related to finance, investment, strategy, and risk management based on the curriculum which can be adjusted to client need.

Customized Training and Certification

We can conduct trainings based on the curriculum that is customized based on the requirement of the client. And all programs that we customize can become internal certification program to increase the learning retention and competence of the participant.

Our Professional Certification Services

We have the license to deliver two professional certification designation programs as follow:

1. **Professional Financial Modeler (PFM)** from International Financial Modeling Institute.
2. **Financial Risk Analysis on Corporation (FRAC)** from Global Academy on Finance, Risk and Strategy
3. **Certified Risk Professional (CRP)** from Lembaga Sertifikasi Profesi Pasar Modal (LSP-PM) that registered with Badan Nasional Sertifikasi Profesi (BNSP).
4. **Bank Credit Analyst (BACA)** from Banking Analysis & Management Institute (BMAI)
